PRIVACY POLICY

Last Updated: July 15, 2026

Ready Tote Oklahoma ("we," "us," or "our") operates readytoteokc.com and this tote rental service. This policy explains what personal information we collect, how we use it, and the choices you have. It applies whenever you book, pay for, or use our services, including at checkout. We collect only what is necessary to rent you totes, dollies, and hand trucks.

1. Information We Collect

When you submit a booking request, we collect:

- Your name, phone number, and email address
- Your requested rental package and requested delivery/pickup dates
- Your delivery address, once your rental is confirmed

We do not use advertising trackers or analytics cookies on our website.

2. How We Use Your Information

We use your information to respond to your booking request, confirm dates and availability, send your invoice, deliver and pick up your equipment, and communicate with you about your rental. We do not sell, rent, or share your personal information with third parties for their marketing purposes.

3. Payment Processing

Payments are handled securely by Stripe. We never see or store your full credit card number or CVV code, Stripe processes that data directly under its own privacy policy, available at stripe.com/privacy.

4. Service Providers We Use

A small number of providers help us operate our business. Your information passes through them only to deliver our service to you:

- Netlify — hosts our website and stores booking form submissions
- Resend — delivers our transactional emails (confirmations and invoices)
- Stripe — processes payments
- OpenStreetMap — provides the map tiles on our delivery area maps (loading a map sends your IP address to OpenStreetMap)
- Google Fonts — provides the typefaces on our site (your browser requests font files from Google's servers)

5. Data Retention

We keep booking and rental records for as long as reasonably needed to operate the business, handle any follow-up on your rental, and meet tax and legal obligations. Contact us if you would like your information deleted, and we will remove it unless we are required to keep it.

6. Your Choices

You can contact us at any time to ask what information we have about you, request a correction, or request deletion. Our emails to you are transactional (related to your rental), not marketing.

7. Children's Privacy

Our services are intended for adults. We do not knowingly collect personal information from children under 13.

8. Security

We use reputable providers and reasonable safeguards to protect your information. No method of transmission or storage is 100% secure, but we limit what we collect so there is little to expose.

9. Changes to This Policy

If we update this policy, we will change the date at the top of this page. Material changes will be reflected here before they take effect.
